

Cat Tales Wildlife Center: Species Sponsorship Overview

Species sponsorships help provide food, veterinary care, enrichment, habitat maintenance, and lifelong sanctuary care for wildlife ambassadors at Cat Tales Wildlife Center. Donors choose a species, then select either a one-time sponsorship or a monthly sponsorship.

One-Time Sponsorships

A one-time sponsorship is a single gift that provides immediate support for the donor's selected species. Donors choose one of the giving levels below. After completing the gift, they receive access to the digital species sponsorship packet for the selected species.

Amount	One-Time Gift Helps Support
\$25	Enrichment that keeps animals active, curious, and engaged.
\$50	Fresh food and daily nutrition.
\$100	Habitat care and seasonal comfort.
\$250	Veterinary care and wellness monitoring.

Monthly Sponsorships

A monthly sponsorship provides steady, ongoing support throughout the year. Monthly sponsors help create reliable care funding for food, veterinary care, enrichment, habitat maintenance, and daily animal needs. Monthly sponsors receive a digital species sponsorship packet, a sponsorship certificate, and admission for the sponsor and up to three guests to Cat Tales Wildlife Center while the sponsorship is current.

Monthly Amount	Species
\$25/month	Foxes, Raccoons, Bobcats, Servals
\$35/month	Lynx, Coyotes, Wolfdogs
\$50/month	Pumas
\$75/month	Black Bear/Oscar
\$100/month	Tigers

Staff Talking Points

One-time sponsorship	Best for donors who want to make a single gift toward a favorite species and receive the digital species packet.
Monthly sponsorship	Best for donors who want an ongoing connection and admission benefit while the sponsorship remains current.
What it supports	Every sponsorship supports real daily care: food, veterinary needs, enrichment, habitat maintenance, and lifelong sanctuary care.

Note: Monthly sponsor admission benefit applies to the sponsor and up to three guests while the sponsorship is current.
